(COLA) for multi-year service contracts which the contractor may request after the third year of the contract year. (Policy No. 5.070 of the Board of Supervisors Policy Manual)

3. Authorize the Fire Chief, or his designee, to amend, suspend and/or terminate the contract, if deemed necessary, in accordance with the District's contract terms and conditions. In addition, authorize the Fire Chief or his designee to amend the contract by way of extension, not to exceed two (2) one-year extensions and additional month-to-month extensions not to exceed six (6) months, and approve rate increases which are in accordance with the terms and conditions as set forth above and in accordance with the District's contract for turnout and accessory cleaning and repair services.
4. Find that this contract is exempt from the provisions of the California Environmental Quality Act (CEQA).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to enable the District to continue to obtain turnout and accessory cleaning and repair services as needed for the District's uniformed personnel.

The services are to be performed on an as-needed basis and the contractor has the appropriate expertise to complete the services, which will allow the Consolidated Fire Protection District to ensure the safety of its employees and to achieve its mission to protect lives.

The contract will be subject to COLA requests for multi-year service contracts after the third year, allowing for increases based upon the CPI that shall not exceed the general salary movement granted to County employees as determined by the CAO as of each July 1 for the prior 12-month period.

Furthermore, should fiscal circumstances ultimately prevent the Board of Supervisors from approving any increase in County employee salaries, no COLAs will be granted.

Implementation of Strategic Plan Goals

Approval of the recommended action is consistent with the County's Strategic Plan Goal of Service Excellence.

FISCAL IMPACT/FINANCING

Budget appropriations have been made and approved for the current 2007-08 Fiscal Year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

California Health and Safety Code section 13861 authorizes the District to contract with independent contractors to perform such services for the District. Pursuant to Los Angeles County Code, Section 2.121.250, this contract is not a Proposition A contract because it is a specialized service.

ENVIRONMENTAL DOCUMENTATION

The services provided through this contract will not have a significant effect on the environment and therefore the contract is exempt from CEQA, pursuant to Section 15061 (b) (3) of the CEQA Guidelines.

CONTRACTING PROCESS

On March 1, 2007, the District issued an Invitation for Bid (IFB) seeking qualified vendors who could provide turnout and accessory cleaning and repair services. In addition to posting the announcement on the County's WebVen portal, advertisements were posted in twelve (12) local community newspapers. Two (2) proposals were received.

The District has evaluated and determined that ECMS' fees are conducive with creating a savings to the District for contracting this service with the private sector versus having these services carried out by County Employees. This was confirmed through the statement of Hourly Rates, Costs and Fixed Fees (Attachment B – Price List). ECMS, Inc. was recommended for award of contract. The recommended contractor has agreed to comply and adhere to all terms and conditions outlined in the Contract. The District has evaluated and determined that the contractor complies with the District's policy of compliance with the Community Business Enterprises Program (Attachment C), Child Support Compliance Program, the Contractor's Responsibility and Debarment Program, the Safely Surrendered Baby Law and the Contractor Employee Jury Services Program. The Contractor agrees to maintain compliance with all other requirements throughout the term of the contract.

The District has reviewed the Better Business Bureau and the State's Business License websites to assess the proposed contractors past performances, negative experiences, and finds that the contractor does not have any current violations or complaints.

The Honorable Board of Supervisors
July 17, 2007
Page 4

The contract includes COLAs with allowance of increase which will be applicable after the first three years and thereafter on a yearly basis, including the two (2) one-year extensions and month-to-month extensions not to exceed six (6) months. This will allow the amount on the contract to be adjusted annually, based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index. Also, any increase shall not exceed the general salary movement granted to County employees as determined by the Chief Administrative Office as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board of Supervisors from approving any increases in County employee's salaries, no COLAs will be granted.

IMPACT ON CURRENT SERVICES

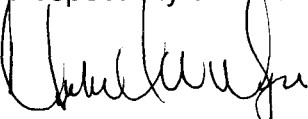

There will be no significant impact on current services as there will be no displacement of any County employees. These services are presently being performed by this Contractor via Internal Services Department issued purchase order.

CONCLUSION

Upon execution by your Honorable Board, the District will need two (2) original certified copies of the adopted Board letter and Contract.

It is requested that the Executive Office of the Board notify the District's Contract Administrator, Lucy Guadiana, at (323) 838-2275 when the documents become available.

Respectfully submitted,

for P. MICHAEL FREEMAN

8.33 NOTICES

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in *Exhibits D - District's Administration and E - Contractor's Administration*. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The District's Contract Administrator shall have the authority to issue all notices or demands required or permitted by the District under this Contract.

8.34 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the District agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 PUBLIC RECORDS ACT

8.35.1 Any documents submitted by the Contractor; all information obtained in connection with the District's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Sub-paragraph 8.37 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Invitation for Bids (IFB) used in the solicitation process for this Contract, become the exclusive property of the District. All such documents become a matter of public record and shall be regarded as public records. Exceptions

will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The District shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.35.2 In the event the District is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the District from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 PUBLICITY

- 8.36.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the District shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the District without the prior written consent of the District's Contract Director. The District shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of District, indicate in its proposals and sales materials that it has been awarded this Contract with the District, provided that the requirements of this Sub-paragraph 8.36 shall apply.

8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the District, or their authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, timecards and other employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the District during the term of this Contract and for a period of five (5) years thereafter unless the District's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the District's option, the Contractor shall pay the District for travel, per diem, and other costs incurred by the District to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless

otherwise provided by applicable Federal or State law or under this Contract. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.37 shall constitute a material breach of this Contract upon which the District may terminate or suspend this Contract.

8.37.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the District may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the District's dollar liability for any such work is less than payments made by the District to the Contractor, then the difference shall be either: a) repaid by the Contractor to the District by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the District, whether under this Contract or otherwise. If such audit finds that the District's dollar liability for such work is more than the payments made by the District to the Contractor, then the difference shall be paid to the Contractor by the District by cash payment, provided that in no event shall the District's maximum obligation for this Contract exceed the funds appropriated by the District for the purpose of this Contract.

8.38 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.39 SUBCONTRACTING

- 8.39.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the District**. Any attempt by the Contractor to subcontract without the prior consent of the District may be deemed a material breach of this Contract.
- 8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the District's request:
- A description of the work to be performed by the subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the District.
- 8.39.3 The Contractor shall indemnify and hold the District harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the District's approval of the Contractor's proposed subcontract.
- 8.39.5 The District's consent to subcontract shall not waive the District's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this District's right.

- 8.39.6 The District Contract Director is authorized to act for and on behalf of the District with respect to approval of any subcontract and Subcontractor employees.
- 8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the District's consent to subcontract.
- 8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the District from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

**Consolidated Fire Protection District of
Los Angeles County**

Materials Management Division/Contract Section

5801 S. Eastern Avenue, Suite 100

Los Angeles, California 90040-4001

before any subcontractor employee may perform any work hereunder.

8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH DISTRICT'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 - Contractor's Warranty of Adherence to District's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the District under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the District may terminate this Contract pursuant to Sub-paragraph 8.42 - Termination for Default

and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the District, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the District, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.37, Record Retention & Inspection/Audit Settlement.

8.42 TERMINATION FOR DEFAULT

8.42.1 The District may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of District's Contract Director:

- Contractor has materially breached this Contract; or

- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the District may authorize in writing) after receipt of written notice from the District specifying such failure.

8.42.2 In the event that the District terminates this Contract in whole or in part as provided in Sub-paragraph 8.42.1, the District may procure, upon such terms and in such manner as the District may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the District for any and all excess costs incurred by the District, as determined by the District, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be

beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.42.4 If, after the District has given notice of termination under the provisions of this Sub-paragraph 8.42, it is determined by the District that the Contractor was not in default under the provisions of this Sub-paragraph 8.42, or that the default was excusable under the provisions of Sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.41 - Termination for Convenience.
- 8.42.5 In the event the District terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.42.1, the Contractor and the District agree that the District will have sustained actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the District's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the District agree that the District shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.42.2, be entitled to liquidated damages from the Contractor,

pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the District for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the District by cash payment upon demand or, at the sole discretion of the District, or designee, deducted from any amounts due to the Contractor by the District, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the District is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.22 – Indemnification.

8.42.6 The rights and remedies of the District provided in the Sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

8.43.1 The District may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any District officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the District shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the

Contractor.

8.43.2 The Contractor shall immediately report any attempt by a District officer or employee to solicit such improper consideration. The report shall be made either to the District Contract Director charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.44 TERMINATION FOR INSOLVENCY

8.44.1 The District may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the District provided in this Subparagraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the District may in its sole discretion, immediately terminate or suspend this Contract.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the District shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the District's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The District shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

Contract shall constitute a waiver of any other breach or of such provision. Failure of the District to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48

shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the District shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

9.1.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

9.1.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

9.1.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a District official or

employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

9.1.4 If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the District any difference between the contract amount and what the District's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply if the Contractor is no longer eligible for certification as a result in a change of their status and the Contractor failed to notify the State and the County's Office of Affirmative Action Compliance of this information.

IN WITNESS WHEREOF, Contractor has executed this Contract, or caused it to be duly executed and the Consolidated Fire Protection District of Los Angeles County, by order of its Board of Supervisors has caused this Contract to be executed on its behalf by the Chairman of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.
